

8th Grade E-Learners

Starting next week (Monday, Aug. 31), all 8th grade e-learners will be **REQUIRED** to attend Google meetings with 8th grade teachers throughout the week. Either all the teachers will be in attendance or just half the team. When attending meetings, **students are required to have their camera on** because we would LOVE to see your faces!! Our cameras will be on so you'll get to see our lovely faces too (except for Mr. Bradford - NOBODY wants to see that). Below is the schedule for all the meetings taking place with some (or all) of your 8th grade teachers.

- **Tuesday: Mr. Lewellyn (Science) and Mr. Conolly (Math) - 1:30 - 2:00**
- **Wednesday: All 8th Grade teachers - 1:00 - 1:30**
- **Friday: Ms. Alcorn (ELA) and Mr. Bradford (SS) - 1:00 - 1:30**

Remember: these meetings are mandatory!!

A meeting link will be provided to you by one of the teachers hosting the meeting. The purpose of these meetings will be for us teachers to check in with you to see how you're doing with the material and for you students to ask us questions about something you may not understand. While you're meeting with us online and want to speak directly with a specific teacher about a question you have, you simply need to ask and a private Google Meet can be created for you and that teacher to discuss your concerns.

Can't wait to see you guys starting next Monday!!
